Save on external storage and set-up time with a Ceiling Suspended Volleyball System by Jaypro Sports. This system stores fully assembled and close to the ceiling, is raised and lowered using a 1 HP winch, and is offered with or without an attached referee stand. Additionally, the net height is infinitely adjustable to meet both men's and women's regulation heights.

## Ceiling Suspended Volleyball System

Adjustable ceiling suspended system conveniently raises and lowers with a turn-key solution for quick set-up.

- Engraved height markers (0-20" range)
- Net height adjustment handles on uprights
- Exposed posts and frames are fully padded
- With or without referee stand models
- Collegiate net and antennas included

\* Call Customer Service for details

*System raises to fold in either direction. Specify fold direction when ordering. Dual Posilok™ safety straps automatically lock system in position should a malfunction occur during raising or lowering of unit. Call for freight quote.*
