SCOREBOARDS

Basketball Solutions

Any **venue.** Any **sport.** Any **time.**

From gymnasiums to outdoor fields and athletic facilities, OES has a history of bringing “wow” factor scoring and timing solutions to facilities across North America. Here are a few of the reasons why you'll want to partner with us:

Choice of the Pros

OES has a long standing relationship with the NHL, NBA, NFL, MLB, as one of two companies authorized to provide scoring and timing solutions.

For years we've been part of their facilities, special events and on-going efforts to enhance the game for players and fans alike. And we bring our pro venue expertise to every customer we work with.

Commitment to quality

With shatter-proof panels, brighter LEDs, weather-proof coating, and superior components, we build our scoring and video display products to perform even in the harshest of conditions. Our attention to quality and durability protects a school's investment and increases the lifespan of the scoring solution.

Industry leader in LEDs

OES digits are built with higher intensity LEDs and incorporate more LEDs per digit than other companies. The result is brilliant and superior viewing experience from almost any angle and distance. As a bonus, we're renowned for white LEDs and offer them as a standard, no added cost option.

If you can imagine it; OES can design it

We can customize their scoring, video and timing products to any size, shape, color and mounting option. With design, manufacturing and assembly all completed in-house, their ability to meet unique requirements, without sacrificing quality, is unmatched.

Captivating LED video displays

With a history of exciting video projects, we know what it takes to create an optimal LED video viewing experience; both indoors and out. From multiple pitch options and choice of LED type to true pixel configuration, our in-house technical expertise helps ensure the investment in video is being made in a high-quality, vibrant display.

Unbeatable service reputation

We're renowned for exceptional service and our interest in the performance of your scoring solutions doesn't end at installation. From including spare parts to providing local service or 24/7 phone support, we pride ourselves on our commitment to having customers always lit up and game ready.

Let OES bring our impressive indoor and outdoor scoreboard and video display experience to you.

Control systems

Controllers

Whether it's wired or wireless, OES controllers are so user-friendly; operators can change the scoreboard display without taking their eyes off the game. From our lightweight hand-held ISCHHX and ISCHH controllers to our renowned ISC9000 controller, our scoreboard and videoboard control systems are designed to be easy, efficient and link multiple scoreboards together.

Event production software

Have your scoring solution come alive with Bolt, OES' live event production suite. Easily broadcast and entertain fans with live video feeds, sponsor ads, team messages, still and motion graphics. For an enhanced viewing experience, connect Bolt to your OES controller and display real time scoring and stats information.

Video displays. Scoreboards. Scoring & timing.

About OES Scoreboards

Founded in 1980 to provide technology support services, OES Inc. soon began developing its own technology solutions. It successfully brought many products to market for mission-critical applications in environmental, healthcare, vehicular, agricultural, and defense industries.

In 1994, OES Inc. leveraged its innovation experience and pioneering technology methods to develop their first LED scoreboard and create OES Scoreboards. Since that time, we've continued to be an innovation leader in the scoring industry.

Our scoreboards, video displays, scoring and timing technology products can be found in venues across North America. Look for OES scoring and timing solutions at your favorite stadium, arena, field or venue.
