BLACK KNIGHT SOULIER COURT "REACTOR" COURT SHOE

- Gum rubber outsole for better traction.
- Eva midsole for shock absorption.
- PU for toe dragging protection and lateral stability.
- Microfiber and nylon upper for breathability and durability.
- Eva insole for comfort, with non-slip silicone treatment for better grip and feel.
- Wider base at the forefoot and board lasted construction for better stability.
- Design of the outsole is made for quick lateral and forward movement.

INSTITUTIONAL + TRAINING INSTITUTIONNEL + ENTRAÎNEMENT

BA-190 TEAM GRAPHITE

- Serious school play
- Aluminum head
- Graphite shaft
- Built-in replacement grip
- Lonfibre Plus durable string.
- Pour un niveau scolaire de haut calibre
- Tête en aluminium
- Tige en graphite
- Cordage extra durable Lonfibre Plus
- Recouvrement de poignée de rechange intégré.

BA-195 COLLEGIATE

- Exceptional performance and durability.
- Light, strong titanium alloy
- Built-in replacement grip.
- Lonfibre Plus durable string.
- Faite d'un alliage de titane léger et résistant
- Recouvrement de poignée de rechange intégré
- Cordage extra durable Lonfibre Plus

BA-190 THE BEAST

- Extremely durable.
- Heavy duty aluminum and steel.
- Built-in replacement grip.
- Lonfibre Plus durable string.
- Faite d'aluminium et d'acier épais et résistants
- Recouvrement de poignée de rechange intégré.
- Cordage extra durable Lonfibre Plus

BA-150 SCEPTRE

- Durable high grade aluminum and steel.
- Lonfibre string.
- For high school and college use.
- Aluminium et acier résistants de première qualité
- Cordage Lonfibre
- Pour les écoles secondaires et les collèges.

BA-101 SQUIRE

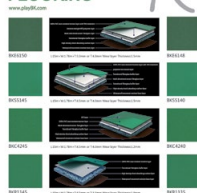

- Designed for primary or junior high schools.
- All steel
- Lonfibre string
- Conçue pour les écoles primaires et le premier cycle du secondaire.
- Tête et tige en acier
- Cordage Lonfibre

BA-105 STARTER

- Designed for primary schools.
- Conçue pour les écoles primaires.
